

PROPELLER LOGBOOK

ATTENTION:

This service record shall accompany the propeller equipment at all times. When equipment is installed as part of an aircraft or engine, this record shall be maintained concurrently with, and become a part of the Aircraft and Engine Service Records.

Propeller Model: _____

Propeller S/N: _____

Logbook #: _____

ATTENTION: Register Your Hartzell Propeller Product

To ensure accurate warranty information, please register your Hartzell Propeller product by completing the Product Registration Form on the Hartzell website. Please enter a separate registration form for each propeller/product.

Scan the QR code to go directly to the Product Registration page on the Hartzell Propeller website.

Or go to: <https://hartzellprop.com/product-registration-form>

Propeller Owner's Manual

To access current revisions of all Hartzell Propeller Owner's Manuals, go to the Owner's Manual page on the Hartzell website and select the applicable manual.

Scan the QR code to go directly to the Owner's Manual page on the Hartzell Propeller website.

Or go to: <https://hartzellprop.com/services/reference-library/manuals/hartzell-owners-manuals>

Propeller Care and Maintenance Videos

A variety of videos demonstrating propeller care, maintenance, and repair are available on the Hartzell website.

Scan the QR code to go directly to the Videos page on the Hartzell Propeller website.

Or go to: <https://hartzellprop.com/news-events/videos/>
